Subject: Des Moines TCE Site Redevelopment

Hi Alex,

I would like to schedule a meeting with my senior management and yours to discuss the subject site and potential redevelopment. For the past several years I have worked with Rita Connor with the city of Des Moines so I am well aware of the city's urban renewal efforts in the vicinity of the site. EPA is seeking ways to advance the ball on this and we would like to coordinate with IDNR. I believe your senior managers mentioned this to Ed Chu (our Acting RA) in recent weeks.

Ed and I can drive to Des Moines on April 25 to meet. Please let me know if this date works for you, Bill, and Chuck. As a backup, we could do April 24 but the 25th is our preference if you can make it work on your end.

Thanks – I really look forward to meeting with you on this.
